The Head of the Body?

We don't really know how many general disciples (followers) Jesus had but we know that he appointed twelve men to be the principal leaders of the movement. Of these, Peter was in some sense a leader. One of them, Judas, betrayed the Christ – as Jesus knew that he would. In the middle of May the Church remembers Matthias who was chosen to replace Judas and restore the number of Apostles to twelve. It is interesting to note that though Jesus had himself appointed twelve, the Early Church did not think it necessary to "top up" the number repeatedly as Apostles were martyred or died natural deaths. The reason may be that the number of twelve Apostles was chosen to show to the Jewish people that Christ's Church was the new, restored Israel – the People of God. When the missionary project gradually moved outwards into a gentile (non-Jewish) world, this symbolism was perhaps no longer so important.

Deacons and Priests (always technically separate) took on the role of running the Church. Bishops are, in modern thinking, actually priests to whom is entrusted a greater responsibility – their role is now thought to have developed over time and not to have been in existence from the beginning as a separate order.

The Roman Catholic Church, the largest single denomination of Christians (over a billion worldwide) has been presided over for many centuries by the Bishop of Rome, the Pope (the name means "papa, father"). The Roman Church claims an unbroken chain of authority from St. Peter, the leader of the Apostles. The Protestant answer to the claim is that there were no "monarchical bishops" in the Early Church – the Bishop of Rome eventually gained wider authority because he was bishop of the Imperial

City – the claim to authority from Peter is a later rationalisation and justification.

The Church of England and the Worldwide Anglican Communion look to the Archbishop of Canterbury as a figurehead – but he is far from being an "Anglican Pope".

Like the Protestant Churches, the Orthodox Churches reject Rome's claims – they are headed by their own Patriarchs. Many give allegiance to the Ecumenical Patriarch in Constantinople (otherwise known as Byzantium or Istanbul).

It's interesting to speculate that had the Church acted otherwise in the early centuries (and had the Church of Christ not fragmented) it might still be governed by a council of Twelve Apostles!

But would the Church still be here at all after twenty centuries if it had been run by a committee? Answers on a postcard

Lent Lunches

The enclosed picture shows some of the supporters at the annual Lent lunches held by our White Peak Group of parishes, Biggin, Hartington, Earl Sterndale, Chelmorton, Monyash & Biggin. The venue was rotated each week in Lent & held either in the village church (where facilities exist) or in a village hall of the host village.

This year proved particularly challenging when 'the beast from the East' closed schools & roads in Monyash & the connecting A roads, resulting in cancellation of that particular week, but all other events were able to take place. The proceeds, totalling £302.78 were donated to Christian Aid.

HARTINGTON NEWS

Thank You- Unfortunately we missed the last edition of News and Views but know how much Mum wanted this message to be included this time. A very big thank you from Mum- Mrs Mollatt- for all the lovely cards, flowers and gifts which she received on her birthday and the joy of having old friends and family around her. It made the occasion a really special day. Also the Easter gifts Mum and Dad received from the school children, they had a big impact on them. Thank You again- Janet Wigley.

Mrs Margaret Mollatt-The Mollatt family, Eddie, children and grandchildren would like to thank everyone for their messages of support, cards and donations at their time of sad loss. Also we would like to thank the vicar for the lovely service, Sarah for her remembrances of mum, Liz for performing miracles, the YHA for kindly allowing us the use of the village hall and Sue for the lovely refreshments. It really was a team and community effort and mum would have appreciated everyone's effort on her behalf. Thank you.

Hartington Hidden Gardens

Following the issue of invitations to garden owners to join this years event to be held on Sunday 22 July I am pleased to report that the response has been very positive and so far we

have 20 gardens participating. Should anyone else wish to participate please do not hesitate to contact me It's never too late ...

In addition several owners have offered to provide additional extras for visitors visiting the gardens. Each garden will also have a short piece of poetry on display based loosely round a garden theme . These are being provided by Jan Briffett... Many Thanks Jan.

Publicity is about to kick in and Rob Tenty has been most kind in designing something to be used as flyers and as a cover for a programme for use on the day together with a map showing the garden locations and a short description of the gardens.

At around 3pm on the day the RED BARROWS will perform their "FLYPAST" but much closer to the ground than their famous counterparts !!!! We are very grateful to have them sponsored by PSI (PROJECT SERVICES INTERNATIONAL) LTD

The Red Barrows is a squadron of "pilots" who push red wheelbarrows to music to create displays loosely similar to the RAF Red Arrows display team but at a slower speed. The pilots are recruited from the most daft and desperate men in and around the Derbyshire village of Barlow! A commentary by their Wing Commander will

entertain the visitors to the village by describing the displays alongside the history of the squadron who over recent years has helped raise tens of thousands of pounds for local charities. Their charity for 2018 is Nenna Kind Cancer Support based in Chesterfield.

Thank You- to everyone who kindly donated towards the Easter Lilies. They were lovely- Celia and Liz

Congratulations- Maddie Wager- Who now attends Buxton Community School, has achieved a Gold medal in an area Boccia competition held at Fairfield. She won 1st place with her team mates and will now represent the High Peak District at the County Finals in July, held in Chesterfield.

Hartington Hall- YHA- Festival June 2nd – Live Music, Family Activities, Festival Food and local ales. Free wrist band entry for Hartington community- £3 entry for others.

Hartington Sports-BEETLE DRIVE -22nd June- Hartington Village Hall, 7pm start. Hot Roast Pork & Roast Beef Cobs, Scones Jam &

Cream. Bring your own drinks. Tickets available at Post Office and via committee members. £8.

GETTING READY! for the next Hartington Wakes Sports and Country Show 2018-

Date for your diaries the 9th September 2018. Even though the weather wasn't great last year, the support and ever increasing entries was fab so please continue to carry this on! Again here is the much anticipated HANDICRAFT Schedule.

Please see our Facebook page for updates and our website for all other schedules www.hartingtonwakes.co.uk. Hope to see you all there.

HYPAC- The Disco was held March 23rd. Thank you to everyone who helped and supported this event which raise over £800 profit. For the second year running, Bethany Ball, did an amazing job organising the whole thing and was ably supported by leaders Jodie Ball, Olivia Williams, Ben Broadley and Katie Broadley.

We have an exciting 10 week sessions though May, June and July with rock Scrambling and Canoeing as well as Tug of war alongside the usual traditional sporting activities. Our Annual BBQ will be held at Hartington Hall-YHA- on Sunday July 15th

Hartington C of E Primary School- Hartington C of E Primary School-

As usual time does not stand still, we are busy with many projects and the children, as always, rise to every occasion. SAT's week was supported by Governors which was much appreciated, the children have worked hard and can now focus on a range of exciting activities. On Friday of SAT's week we had a visit from "Bugs 'N' Bones", it was an excellent session with a variety of weird and wonderful creatures which the children were able to handle and ask questions about.

We continue with the monthly visits from MAST & Michael Tinker who provide inspiring and informative sessions on Bible stories for the children. The School Council, as always, is very proactive and chaired by the year 6 pupils with governors Mrs Bruce and Mrs Clayton in attendance. During this terms meeting the children democratically selected six Christian

values which best reflect the school and created a new more contemporary vision statement in today's more diverse community.

The continual development of the children's voice will involve representatives from the school council undertaking a Health and Safety Audit of the school with the previously mentioned governors. The next planned meeting is on the 14th June.

Gardening Club runs every Thursday after school, under the watchful eye of Mrs Wildgoose and Mrs Broomhead. We are nurturing the flowers for the village planters as well as growing a range of vegetables which we hope to use in the school lunches towards the end of term. A sunflower for every child has been sown in the club. New planters, which have been filled with annual border flowers and made by the children from the club under the careful supervision of Mr Webley one of the children's parent. An additional planter was presented to the school by Mr Webley to replace the damaged one at the entrance to the school.

Our termly Celebration Worship, which are led by the children will be held in Church and are on May 25th and July 13th. This year the annual Maypole Dancing will be part of the PTA "Hartington Great Bake Off" and fund raising activities in the Village Hall. A walking treasure hunt and much more- come along and enjoy. The Y3,4 & 5 children will be participating in a Mountain Bike session on 5th June as part of the School Sport Premium funding. The remainder of the school will be preparing menus in preparation for the "Healthy Eating Week" which is part of the Change for Life Programme.

On 7th June the whole school will visit Derby Cathedral with Elton Primary School, the theme being "Pilgrimage". Which is both a journey of the body, an outward journey and a journey of the spirit, an inward journey. This term has seen the whole school go swimming on a Wednesday afternoon, this has meant we have not been able to participate in as many Sports activities as BIGGHARTS at QEGS. However, we are looking forward to the Quad Kids and Rounders competitions as well as the 3 Dales Sports on 28 June.

Finally, the whole school will be at Lea Green residential outdoor centre on 18/19 July. The whole school is working hard to deliver a singing and acting performance on Thursday 28th June at 11am where parents, governors and members of the community will be invited. Community Lunches go from strength to strength the final one for this academic year will be held in unison with the Celebration Worship on 13 July.

Hartington Village Hall Update Progress has been made on developing an application for a grant to refurbish our Village Hall. Installing a new boiler and heating system, together with ceiling insulation, is the key priority identified by our users. However, we will also include the development of a new kitchen, replacement of the electrical switch box, and a few other smaller priorities within our total bid. The final sum that we bid for is likely to be in the region of £70K. Our Management Group next meet on 12th June to finalise the application. We will know by the late Autumn if we have been successful. We will also develop a phased development should the single bid not be successful, and would hope to then complete the work over a three year period using some matched funding as well as a raft of bids.

Our support of the **Rural Social Group** continues with the next meeting to take place on Tuesday May 22nd at 2.00. The first of six **Craft Fairs** was successful and the next will take place on Saturday 26th May from 10.00.

We were delighted with the success of the **Cheese Factory/Hartington Through Time exhibition** and our thanks go to Alan Salt and members of the History Group. The event was free entry with donations which raised £133 which will be given to the Village Hall.

Finally, we were very grateful for the help of the **Cubs and Scouts** on the evening of 10th May when we tackled a woodworm issue. They moved a large amount of material that had been in store and in the kitchen and tackled the task with huge energy and good humour. They were a credit to their families and Scout Leaders.

Cheese making Exhibition 5.5.18-Hartington Village hall- This was an excellent day. I was talking all day from 10.00 am to 5.00pm. There were people in all day, and the great thing that as well as many of the ex-Dairy Crest Staff there was also a lot of passing visitors, which was nice. I collected lots of pictures from people and put a lot on Facebook asap, which generated a lot of interest and comments. People were asking me next day "when will the next one take place" this was from both ex staff who came and others who could not make the day. The day was a great success the only problem for me was I needed more hands, I found it impossible to talk, sample cheese and work the TV presentation on my own. Next time I'll get some help. Thank you to everyone who helped and attended- Alan Salt.

Hartington History Group- Hartington Through Time Our small but compact exhibition was held on Saturday 5 May in Hartington Village Hall, alongside the Cheese Factory exhibition. We had a wonderful attendance and were kept busy all day, serving refreshments and meeting people who had "tales" to tell us about their families and houses in which they lived. It was a delight to meet some "senior members" who had brought along photographs, which we were able to scan on the day, these will be so useful as we go forward. It was lovely to see so many old friends meeting again and sharing past memories, one example being- Mary Sherratt, now living in Lincolnshire and Nancy Coates of Ecton, who have been friends for a number of years, they so enjoyed meeting up again and catching up on all their news.

We reaped lots of information on various houses in the village, and met a few people who would like to get involved to research their own house in the village. I think we have lots of leads to follow which will keep us busy for a while. Plus the bonus of managing to raise £230.00 for the group to pay for storage folders etc. However, we would welcome anyone who would like to join us, we are very low on numbers! We meet every Monday 7pm to 8pm in the Bakehouse at the Village Hall. It is on a come along basis and if you are available we would appreciate help. Attendance

is not needed each week, as a lot of the research can be done at home, and then brought back to the meeting as and when. If you would like to attend please call me in advance to ensure we are actually meeting that night. Lesley Birch 01298 84532.

Hartington History Group- Many older residents in the area will remember **Dr Williams**, who was one of the GPs based at Hartington from 1954 until 1986. He has recorded a variety of early memories from his time in the area, which the History Group has reproduced in pamphlet form for sale at £1, with the proceeds going to Hartington Community Group funds. Copies can be obtained from Sue Bruce at Hartington Post Office. A second pamphlet about the life of Hartington's James Oliver [1835 - 1922] and the extraordinary story of his near-shipwreck in 1857 is expected to be available in June. Richard Gregory.

Adopt a Poppy - As you are probably aware we are making a display of poppies in recognition of the end of the 1st World War. The poppies are made from plastic bottles, and will be on display on the grass verge outside the -churchyard. We have been inundated with bottles and work is well underway - thank you so much to everyone who has sent bottles onto us. More helpers are needed though, so if you would like to make some poppies please contact either Lesley or Carol.

In order to raise a few funds for charities, we have decided that we will promote "Adopt a Poppy". The idea is that you can "Adopt a Poppy" in memory of a loved one, not necessarily someone of the armed services, or it could be just for someone you love. The cost will be £1 per poppy, and a list of those remembered will be displayed alongside the poppies, and when the display is dismantled you will be given a poppy to keep if you wish to have one. We aim to have a stand at the Hartington Annual Sports Show, and at various other events, where you can adopt your poppy, and we hope you will be able to support us. For more updates watch this space!! Lesley Birch 01298 84532 & Carol Clayton 01298 84877

Farming Life- Rural Social Group meeting- April 24th – Another successful session when participants were privileged to hear a presentation “Sheep Farming in Nepal” by Richard Odell. It was inspirational to hear of the work that he has done to support sustainable development with the communities of remote rural villages; not just Sheep, basket weaving, bee keeping and honey production, weaving and much more. Not only practical guidance but also

support on running an effective business. The quality of the Cake meant there was little to take home.

May 22nd we will have a demonstration of Needle Felt work by Jennie Dullage and Janet Bray and lots more lovely cake, please come along and enjoy these session -2-4pm, Tuesdays June 26th, July 24th, August 28th and September 25th

BIGGIN NEWS

WI News-April meeting- “Food glorious food” was the topic for this month’s speaker who took us down memory lane telling us about the history of food products and bringing some of the foods we ate in our childhood and prepared ourselves. These included things like spam fritters, brains faggots, angel delight and other such mouth- watering dishes. These are now replaced by fancier foods like quinoa and couscous not so delicious but perhaps healthier.

Julia reminded us about up-coming events we will be taking part in. She read the letter to be sent by us to the National Federation WI (NFWI) regarding the use of the single use plastic covering on the magazine. The competition for flowers in a teacup produced some lovely arrangements this was won by Sandra. The meeting was rounded off with tea and a lovely Simmel cake baked by Helen

May meeting -The business for May included a reply from NFWI about our concerns regarding the outer wrap on the magazine which is sent monthly to all WI members They stated that the plastic wrap could be recycled at supermarkets that had plastic bag recycling points.

The speaker was from the air ambulance; he described all the good work the air ambulance do flying two helicopters covering Derbyshire Leicestershire and Rutland and how it's all funded by donations from the public. He was injured in an accident himself and was taken by the air ambulance to the hospital and now he's fully recovered he gives talks about their work and the different roles each person on board undertakes to get the patient to the hospital as soon as possible whilst treating sometimes very seriously injured patients.

The competition this month was a decorated plant pot there was many different designs all beautifully done but the winning entries were Helen and Lynn. The meeting was rounded off by tea and cake. The next meeting is on Monday June 11th, everyone is welcome to join us at the village hall at 7.30.

Congratulations- On Saturday 12th May Erynn Wilton and Jack Leslie took part in 'The Big Shoot' as part of Biggin and Hartington Cubs and scouts group. On the certificate it says “for participating in the junior novice archery category”. Both did really well.

Biggin C of E Primary School-In March we held a Barnabas Day in School. Barnabas is an organisation supporting the teaching of RE and Collective Worship in schools. The theme was Respect, Resilience and Responsibility. These values were illustrated through Bible stories. The children then thought of ways they could show these in their own lives. Collective Worship, led by Y6 pupils, was held in Church on 23rd March, 25th May. We also had our regular visits from MAST during April and May. The children enjoy these fun acts of worship led by Michael Tinker, and Ray and Beryl Briddon.

Cathy Swinbank, has been a member of our staff for three years, working in KS2. She retired at the end of the Spring term since when she has been off on her travels. We gave her a good send-off: a walk around the village followed by tea in school and a presentation of gifts and cards. She was a popular member of the school community and I am personally grateful for the work she did particularly with the older children.

In April we held a special parents’ meeting led by Matt Bawden, Assistant Head at QEGS. He delivered a stimulating discussion on the theme of developing the sorts of qualities young people need to be successful and happy in life today. This made important links to the theme of Barnabas Day as well as addressing issues around living in modern Britain and promoting British Values.

The children have been involved in several sporting activities as a part of the BiggHarts team. In addition, the Y5 children attended a school sports crew event at Anthony Gell school; all KS2 children participated in an orienteering event at QEGS; and here in school, every child took part in a rugby taster session. Y5/6 pupils from Biggin also represented BiggHarts in the Quad Kids event at QEGS.

Biggin Pre-School- We are a small, friendly pre-school based in the heart of a rural community, a non-profit charitable organisation run by a dedicated parent committee, providing a safe and happy childcare setting. With an OFSTED rated Good, our inclusive setting is situated within Biggin C of E Primary School, where we have an allocated classroom exclusively for pre-school which provides a bright and welcoming environment for learning with access to our own garden, which is full of resources and areas for the children to explore. Currently we open Monday, Tuesday, Wednesday and Friday - 8.45am until 3.30pm. The current cost is £25 per full day, half days are also available. Optional hot lunches are provided daily at an additional cost of £2.50. For further details or to arrange a visit, please contact Lisa Blood on 01298 687453.

Biggin Pre-School - A Big Thank You- We would like to say a huge thank you to the organiser's, helper's and the supporter's of the recent 24 hour Snooker Marathon at the Royal British Legion Hartington. We had an unbelievable response to the sponsor forms, raffle tickets and had some fantastic raffle prizes donated.

A big thank you to Nigel Bond who came and raised £265 by auctioning off frames against him with a high break of 126. Big thanks to Harold, Jennifer and Andrew at the RBL Hartington for providing us with the location, drinks and cooking our breakfast. Big thanks to Alison and the team at Holdsworths for the food donations to keep us going and to Anne Bunting

for the cakes. Finally, a special thank you to Danny and Claire Homer for coming up with the idea, organising the matches, sponsor forms, raffle tickets, prizes etc. A massive £1,540 was raised, this will ensure we have the resources and equipment required to keep the pre-school functioning.

WATERLOO INN – Events during June, July and August- June 2nd - Darren Johns 50's- 90's; July 14th - Music to be arranged in the evening; July 28th - Penny Diamond; August 4th - Dawn Fury; August 11th - Mel Christi; August 18th - Waterloo Inn Fun Day at the pub during day with “Gold Top” playing in the evening. We would like to say well done to all the dart and dominoes teams this season. The ladies did very well indeed. Thanks you all for supporting us and hope to see you during the summer months. Debbie and Steve Thomas

Hartington Nether Quarter Parish Council- The parish council is seeking contact from interested parties in becoming a snow warden for the village of Biggin. This voluntary position would include training through Derbyshire County Council (DCC) and primarily includes clearing snow from village pavements and footpaths during periods of snow. Some free grit will be provided by DCC as part of this scheme. The scheme is not concerned with clearing roads. If this position is of interest then please approach one of the parish councillors or contact the clerk via the parish council's website <https://www.hartingtonnetherquarterpc.co.uk>
Thank you -Mrs Hampson Clerk

EARL STERNDALÉ NEWS

Parish Council - Our next meeting will be the AGM, on 4th June in the Chapel at 7.30 pm. to which all are welcome.
Website www.hmqpc-pc.org

St Michael and All Angels- The public meeting, about the future of the church, will be held on 4th

July 2018, at 7.00 pm, in the Church, we hope the village residents will attend and tell us what they think we can do to avoid the closure of our village Church.

Our next fund raising event will be a joint event with the Methodist Chapel on Saturday June 9th from 2pm until 5 pm. in the Chapel, and will be a Cream Tea afternoon. Also there will be a Bric-a-

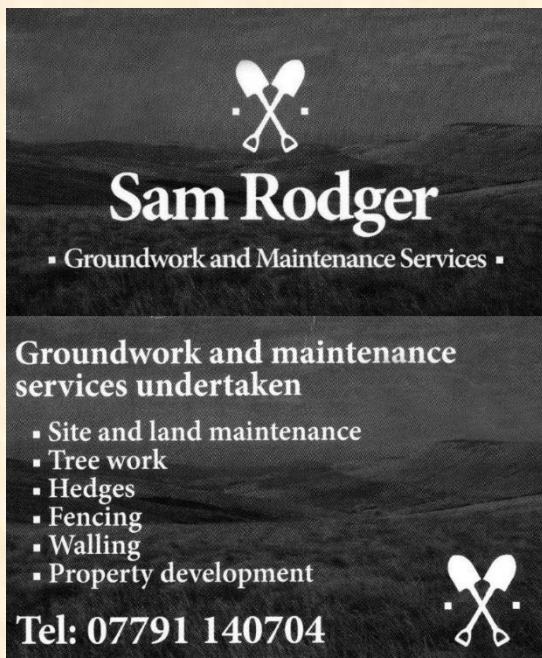

Brac stall, cake stall and a raffle. Cakes for the stall and prizes for the raffle would be very much appreciated. We hope to see you all there.

Earl Sterndale C of E Primary School -

Summer has arrived at Earl Sterndale. The sun is shining and the trees are starting to show their leaves. It's SATs week for our Y6 children – the culmination of a lot of hard work and effort. We are keeping our fingers crossed for them but they have worked really hard so all should be well.

The children performed at a charity concert in April. The choir performed some songs from the 'Lion King' as well as 'I am a Small Part of the World' and the 'Benjamin Calypso' from 'Joseph'. Then the ukulele band did their version of 'Riptide'. The children were astonishing – they performed beautifully and everyone agreed it was a fabulous concert.

The Infant children are starting their Forest Schools sessions and they will be going up to the woods every Monday while the weather is so good. They will be using the materials they find in the woods to build and make things. They will be foraging and gathering and they might even do some cooking on a fire they start themselves.

Alstonefield and District Friendship Club

The Club is 60 this year – an amazing age for a club, and equally amazing in that the number of members has hardly changed over the years – there are still about 50 members, so we must be doing something right! Our programme this year reflects our age (if only!) and also the fact that we have been offered a grant by the South West Peak Landscape Partnership.

On Wednesday 13th June at 6.30pm at Alstonefield Village Hall there is an illustrated reminiscence by Lorraine Hawkins on 'Products that changed our lives' – household and personal items that have changed the way we do things over the past sixty years, which will no doubt trigger some interesting conversations.

On Wednesday 27th June (same time, same place) Sally Mosley, who leads walks in this area, will be talking about 'Walking in the South West Peak'. On 11th July we will lunch at The China Garden at Festival Park (right by the canal basin, with plenty to look at while you eat), before going on to visit to Freeport Talke for shopping or just tea and cake!

25th July is the Club's 60th Birthday Party, with the usual lovely food and a very welcome return visit from Abi Cotton and his friends to entertain us with songs and monologues. Again at Alstonefield Village Hall, but at 6.00pm. We welcome anyone to our events, and can provide transport from many villages. We need to know a week before if you want to come on the outing or to the Birthday Party. For more information or to book, please ring Lorraine on 01335 310353 or Ann on 01298 84394.
