EARL STERNDAL CHURCH – A Resurrection Story?

There are plenty of clergy in the Church of England who take the view that we have too many churches and so should close a few when we get the chance. I don't take that line – for three main reasons.

Firstly, for all its faults, frustrations and scandals, I believe in Christ's Church as not merely a human institution but a divine one as well. "My Church", said Jesus "and the gates of Hell shall not prevail against it". The Church is one of the things God is doing in the world.

Secondly, I have a keen sense of history and of the past. I am always conscious that many – perhaps most – of our villages have had a church at their heart for a thousand years or more. Every parish has its ups and downs and we must take the long view. Who knows what revival of faith may come in the next fifty years? I don't want a church to be closed 'on my watch', if it can be avoided.

Thirdly, my own experience has shown me that churches can be revived if local people can be awoken to their imminent loss. I had six parishes in Lincolnshire and then took on three extras which were carved off the neighbouring group. One of those had had no services for five years and was semi-derelict. I found that local people regretted its loss and we managed to revive and repair it – it became a success story.

Another church in the group had been dwindling slowly (like Earl Sterndale) over many years – eventually there were literally only two of us alive on the PCC! After a year's closure to treat dry-rot, we managed to re-open with new Wardens, new folk involved and new people coming to church. It was pulled back from the very brink of death! We did something similar, in a more limited way, with a third church there.

At Earl Sterndale, things having ground to a halt, we held no services for the Winter months. In June, I went door-knocking with leaflets and in July we had a public meeting and came away with people prepared to be Wardens and others to help. So far so good!

We are having a relaunch of Earl Sterndale Church with a HARVEST FESTIVAL SERVICE at 3.00 pm on SUNDAY 21<sup>st</sup> OCTOBER 2018.

Whether you live in the parish or outside it, please put the date in your diary now and COME AND JOIN US. Let's give thanks for the good gifts we've received in the past and the present and let's put our faith in God for the future!

Yours in hope,

Vicar

**Waterloo Inn** - We have had a very busy and successful summer here at The Waterloo Inn. We were thrilled to be voted the CAMRA (Chesterfield District) "Summer Pub of the Season"! It's nice to gain recognition for what you do but what was even more pleasing was to hear the comments of the very many local people who nominated and voted for us.

The Waterloo Inn Fun Day was a great success. We raised around £750 for the 2 main charities we supported, Buxton Mountain Rescue and SARDA (Search & Rescue Dogs) England. The weather was kind to us and it was excellent that the many village groups and organisations came along to support the day by having stalls, raising even more for their own causes. Well over £1000 was raised in total on the day. We would like to say a big thank you to Andy for bringing Trainee Search Dog Geoffrey along on the day and also a few days later to collect the cheques for the main charities. Next year's Fun Day is provisionally booked for Saturday 10th August 2019.

We have been well entertained over the summer with live acts on most Saturday nights. Biggin's favourite crooner "Karaoke Dave" Griffiths also

provided great fun on one evening and we have even had spontaneous performances by folk singers who have stayed on our campsite! As always, a big thank you to everyone who has come along to support these events. Still to come this year: 27th Oct - Carolanne B - Halloween Fancy Dress; 1st Dec - Lance Merlin (Country Music) New Year's Eve - Ian McKenzie. We are hosting 3 different Darts & Dominoes Teams. Ladies on Tuesday evenings and 2 on Friday evenings. If you would like to get involved in any of these, just let Landlady Debs know. Best wishes to all, Debs & Steve Thomas

**Biggin Poppy Festival needs you-** St Thomas's will be open during the 1st week in November to commemorate the Fallen on Biggin's war memorial. We would like to fill the church with as many poppies as possible. Can you knit or crochet? Patterns can be collected from Mary at school. Poppies made from other materials would be very welcome as well.

Do you have any photographs of the men named on the war memorial? Please could St Thomas's have a copy? Also any other information or images about men and women who served during

the World Wars would be really helpful. Information and photos can be left at school or given to Kay Clayton, Rita Lamb or Julia Hewgill. The church will be open from the 4th November for a week. There will be refreshments available on the 10th of November. The Armistice Service is at 2.30p.m on Sunday 11th November. If you would like to make poppies of any kind or have time to spare on the afternoon of the 10th please speak to Kay, Rita or Julia.

**Biggin WI-** August -Our visit to the World of Wedgewood included a tour of the factory seeing, followed by lunch served on beautiful china and then we looked around the museum covering an amazing collection from the 18th century to the present-day. We all found something to admire and one or two of us found a bargain in the factory shop. September - This month saw a return of a favourite speaker to our WI- he talked about the great fire of London in 1666 from a forensic point of view using old records from the time. How it began and how people reacted to the fire some running away while others tried to put out the fire. The Christmas card competition was won by Penny who had drawn a lovely festive sheep.

**Biggin C of E Primary School** - The Autumn term is already three weeks old and the children have settled really quickly after the long summer break back into their learning. We warmly welcome Miss Sneddon who has relocated from Scotland to join us in Key Stage 2. She has made a fantastic start. Children have already completed a wonderful topic on Roald Dahl culminating in the whole school enjoying 'Dahlicious Dressing-Up Day' with science, film-making and cooking

activities and a party to finish the day's celebrations.

This week our fabulous Year 6 children joined lots of pupils from other school to enjoy outdoor adventures at White Hall, despite the weather! We have enjoyed hearing about the exciting time they had and we're especially proud of their behaviour and the way they all rose to the challenge.

On a personal note I would like to say a massive 'Thank You' for the support of Mrs Gosney and the whole of the staff team and the governors for helping me as I join Biggin School. Everyone has made me feel so welcome. Teresa Nicholls

## EARL STERNDALE NEWS

**After the lovely weather** of the summer, we were not blessed with good weather for the Flower Festival, which didn't help with the number of visitors, as these were down on previous years. A balance sheet will be available soon. There are so many "thank you's" to all who helped with the flower festival, the flower arrangers, the bakers, the helpers in Church; to Mr Bagshaw for putting the roadside boards out and collecting them in again and everyone who helped in any way. Thank You ...The poster competition, which the school children take part in, was won this year by, Adele Sweetmore, who received a voucher. Thank you to the school who again, did the printing of the posters and the handout sheets in Church. The posters went far and wide, advertising this event.

The raffle prize winners were-1. Hamper, Barbara Hodgkinson. 2. White wine, Carol Gratton 26922. 3. Sparkling Wine, Kate. 4. Tapestry Cushion, Mary Wheeldon. 5. Biscuits, Beryl Hodgkinson. 6. Rum, Mrs Marchington. 7. Whiskey, Margaret Lampard. 8. Candles, Brenda Wheeldon. 9. Garden Set, Simon Perkins. 10. Bottle Pimms, Richard Bagshaw.

We say a big thank you to the Riley family for their generous donation, in memory of Dorothy. A public meeting was held in the Church on Wednesday 4<sup>th</sup> July and 2 new members came forward to become Church Wardens. A re-opening service has been arranged for 21<sup>st</sup> Oct. at 3.00 pm, this will also be the Harvest Service. The school children will have their Harvest Service on Friday 19<sup>th</sup> October and the sale of produce will be held on Monday 22<sup>nd</sup> October at 7.30 pm in Church.

**As a retiring Church Warden** of many, many years, I would like to say a big thank you to the precious group of friends and colleagues, who have helped me during these years. The Flower Festival, of 30 years this year, takes a lot of 'hands' and a lot of time and I am most grateful to those who have helped to put on the brilliant displays and helped me with the festival over these years. Also with the many fundraising events, to keep our Church going.

Over the years Jen Mellor and I have worked tirelessly, applying for grants and raising money for the improvements to the building, firstly the installation of a central heating system, next saw re-wiring and new lights and then the addition of toilet facilities, making it better for events to take place. Some of the pews were removed some years ago and the font was to be re-sited, but this is a project 'ongoing'. I would like to say a big thank you to Jen, who has had to take on extra, since I have been out of commission.

I would also like to say a big thank you to my family, who have helped me a lot, especially these last few years, as my mobility has proven a problem. We look forward to progress in the future with the new Church Wardens and Committee and wish them well. Mary Wheeldon

**Earl Sterndale School** - Towards the end of the summer term, our school production of Charlie and the Chocolate Factory was fabulous! The children performed beautifully and we didn't forget too many lines!! Also, our Leavers' Party / End of Year Party was brilliant too. The rain didn't put us off and everyone had a great time. The ball race was a super-soggy success!! The children have made a super start back after the Summer holidays. We welcomed our new Reception children and the Y3 children made the big step up to the Junior class, which is always quite daunting and a little bit scary. Events this term include our Harvest Festival which is coming soon in mid-October. The children have begun the preparations already. We also have our Climbing Wall Festival later this week.

Then Richard and Joyce Odell will be talking to us about their 'Life and Work in Nepal' on Wednesday 24<sup>th</sup> October, same time, same place. under cover! It will be on Wednesday 14<sup>th</sup> November and the coach can pick up from several villages – the cost of the coach is £6.

The Christmas Lunch on 5<sup>th</sup> December will again be at the Bentley Brook Hotel, and the food is lovely. This is free to members, but others are welcome to join us at their own expense. ### A FOND FAREWELL

After 32 very happy years at Hartington, and 42 years working in the NHS, I have made the decision that it is now time for me to retire from General Practice.

It has been a privilege to have been welcomed into the lives of so many people and their families; watching babies and children grow and sharing both happy, and sad, times together over the years. These are truly special memories that I will treasure forever, so 'thank you' to so many of you for giving me the opportunity to do so.

I plan to retire as a Partner in August and will be replaced by Dr Ashley Dawson who, most of you will remember, worked at our surgery as a locum GP several years ago. He will be joining Dr Graham Hurst as a Partner, and we are very much looking forward to welcoming him into our fantastic Health Care Team at Hartington Surgery. I wish him, and his team, all the very best for a long and successful career as he takes the Practice forward into the future.

I wish everyone good health, peace and happiness; I am sure that I will be seeing many of you out there in the beautiful Peak District, hopefully for many more years to come.

*Gillian Hurst*
