There is one who sees

My late father-in-law was an Ammunition Examiner in the army at the end of WWII. At one point he was stationed in Egypt and was involved in writing off and then destroying or dumping countless tons of now surplus explosive shells. Some very large shells were dismantled for some reason and the men on this dangerous work included some locals. They worked in huts on heavy wooden benches covered with cloths of leather to cut down the risk of a disastrous spark. The cloths hung down to the ground. My father-in-law noticed that one of the Egyptians used to sit under the table, as though in a tent, to eat his lunch. When the Arab was asked why, he explained in all seriousness that these days fell in the fast of Ramadan when Moslems were not meant to eat before dusk. If he sat under the table thus, "Nebi" (the Prophet Mohammed) looking down from heaven would be unable to see him cheating!

This amused Kate's father – he assumed that any believer in God would take it for granted that nothing can be hidden from the gaze of Heaven, so to speak. Religion teaches us that not even "the secrets of our hearts" can be hidden from God. We sometimes even hide truths

from our own selves, but nothing can be hidden from God who is omnipresent (everywhere) and omniscient (knowing all things). If considered and dwelt upon this is a disturbing concept – but no doubt it ought to be!

That said, the notion that we are always watched is not one I'd want to introduce to a small child.

The idea that naughty children won't get presents at Christmas has now been exploited by a product called The Elf on the Shelf. You buy one of these elf dolls and prop it up in the house before Christmas telling your children that it is watching at all times and will report their doings to "Santa". Creepy or what? Even worse you can buy mock surveillance cameras with flashing red lights to stick on the ceiling (they are, as I write, now being sold off cheaply in Bakewell). They are to convince your children that "Santa" really is spying on them. Don't be surprised if they grow up paranoid!

What on earth are we doing to our children?

Richard Benson,
Vicar.

NEWS & VIEWS ALERT- HEALTH WARNING-

Do you value receiving the News and Views? Would you miss it?

After 40 years we have reached a crossroads in production- Short story- the YHA (after many years) is unable to print the 600 copies required every 2 months. To continue we need to find funds to cover printing costs and be sustainable. The three Parish Councils have agreed, in principle, to support financially future production. This, with an increased payment by our advertisers and sponsors, will ensure we can continue. Without them we would not be viable so please, please support our Sponsors and Advertisers where you can.

A Village Life: Hartington 1933 – 55. On 10 December Hartington History Group published this book based on the diaries of John Robert Sherratt, who lived in the parish throughout his life from 1900 - 1977. Illustrated by many previously-unseen photographs of Hartington and its inhabitants, John's brief diary entries are put into context by a timeline of national and international events. There are separate fascinating features on other village personalities, buildings and institutions, creating a unique and valuable record of village life in the middle of the 20th century.

Cllr David Chapman, Deputy Chair of the Peak District National Park Authority and the local district councillor, launched the book at Hartington Village Hall on January 15th in an event attended by people from the village, the surrounding area, supporters and sponsors. "The 22-year period covered by the diaries of John Sherratt were some of the most momentous in the mid-20th century," said Cllr Chapman. "They covered the abdication of Edward VIII; the Second World War; the terrible winter of 1947; the opening of the Youth Hostel at Hartington and the closing of the Leek and Manifold Light Railway. There are still living connections with many of these events in the village, because there are people still around with these links and knowledge."

Richard Gregory, who compiled the book, thanked all those who had contributed, especially villagers adding: "This really is *your* book, the community's

book, helping to retain the hold on our cultural heritage." *A Village Life: Hartington 1933-55* (ISBN No: 978-1-5272-2541-1) is priced at £7.99 and its publication was supported by the South West Peak Landscape Partnership/Heritage Lottery Fund and Hartington Charities. All net proceeds will benefit Hartington Community Funds. Buy your copy now!

THANK YOU- for all the kind wishes when I was unwell before Christmas, it was very much appreciated. Happily, I am feeling a little better. Celia Critchlow.

THANK YOU - to The Charles Cotton Hotel who kindly donated the proceeds of the raffle from their Christmas Fare event to St Giles Church. The sum of £125 is very much appreciated. Chris Dullage-Church Warden and the PCC.

ST GILES CHURCH- Attached with this edition is a short questionnaire regarding your parish church. Please take the time to read and complete the brief questionnaire, your views and ideas are essential. Please leave in a box provided in the Post Office by March 1st Thanking you in anticipation. St Giles Parochial Church Council.

The Annual Christmas Tree Festival in St Giles Church- December 8/9th 2018- There were 20 beautiful Christmas trees light and on display in our lovely Church all reflecting the theme- "A Christmas Wish- WW1 Remembered"- in the most imaginative and creative ways. All the village businesses and Village Groups contributed, either with a decorated tree or a donation-we are very lucky to have such support.

This year a new venture, the making of Lanterns to be used at the festival. Wow! what a success this was – December 1st in the village hall; they came from far and wide, locals and visitors, to make their lanterns. Again what creativity. So to the DAY- well the weather certainly hadn't read the script- it couldn't have been worse- gales and torrential rain- BUT- the "Spirit of Hartington" was not to be bowed- as Mr David Annat rang the 100 year old Parish Bell to announce the lighting of the Village Christmas Tree sponsored by the Parish Council-it was like the Pied

Piper Of Hamlin as lanterns, children, parents and friends appeared and were escorted around the pond and across the village on their way to the church. Many thanks to Alan Deaville and Jill Dronfield of Biggin and Hartington Scouts who were the escorts, ensuring no one was lost "enroute". Sadly, we had to abandon the Father Christmas tractor drawn sleigh due to the weather- thanks to Richard Sherratt and David Bruce for being ready to go!

Our thanks also to The Manifold Bygones with their Stationary Engines, who attended in the dreadful conditions.

Once in Church the lanterns looked amazing- the children stood on the chancel steps, lights were dimmed as they sang Away in a Manger- it was lovely. Mulled wine and homemade mince pies were enjoyed by all- the Tombola, organised by Kay and Richard Gregory, did a roaring trade- thank you to them. As we dispersed, preparations for a Dance with the Vipers in the village hall commenced- sadly not well supported but a very big thank you to those who did come.

On Sunday the Church saw a steady stream of visitors and locals to enjoy the trees, mulled wine and mince pies. Thank you to the many volunteers who were in church to welcome the visitors.

The Christmas Carol Concert and visit of Father Christmas was moved from the Friday to the following Thursday 20th hoping this would attract a bigger audience and not clash with other events. The weather was kind as we gathered by the village tree with our lanterns- it was so lovely to see so many there; a Carol was sung, led by Sarah Lacey and we then paraded around the pond to the home of Mrs Bel Kerr – 96 years young and a stalwart supporter of all things in the village. A lovely rendition of Away in a Manager was sung with Bel joining in as she stood at her door.

Onwards to the Village Hall where we were met by Margaret Partridge and Phillip Goodwin entertaining other members of the community. We are very grateful for the support of many of the children from our school with their parents and friends, without them our numbers would have been low. The customary visit by Father Christmas, this year accompanied by his elf and reindeer, was eagerly anticipated; he did not disappoint mingling with the children – young and old, and then distributing a small gift. The Draw of the Christmas Raffle was completed with 15 lovely prizes to be won. Thank you to Mary Goodwin who was in charge of the raffle over the 3 days. More carols, mince pies, mulled wine were enjoyed before departing. A great team effort in tidying away and we were all ready for

Christmas. The total amount of money raised over the 4 days was £740; once expenses had been paid the amount remaining was £502 49p. This will be divided between the HCG and St Giles Church. Thank you to everyone who participated.

THANK YOU- A huge thank you to everyone who donated gifts for the Christmas Tree Festival Tombola – it was a great success. Special thanks to Sue (Peach) and to the Village Stores for allowing us to leave a box for donations in their shops. Kay and Richard Gregory.

Beer, Wine Glasses- Free on collection from Village Hall- or small donation. 24 Thatchers pint glasses, 10 Recorderlig Pint Glasses, 36 Basic plain Pint Glasses, 8 Tumblers- ½ pint, 16 tumblers -10oz, 21 Wine Glasses – 250ml. If you are interested please contact Liz Broomhead 01298 687263.

Rural Social Group-Farming Life- At the completion of our first year of meetings we enjoyed an outstanding Christmas Meal at the Farm Shop, Hartington. Twenty seven attendees were treated to a beautiful meal, in warm and comfortable surroundings with friendly and efficient service from all the staff- so good we have booked for next year.

The meetings – once a month on a Tuesday 2-4pm held in the Village Hall welcomes all. It is free - thanks to the support of MacMillan and Farming Life based at Bakewell. We have had some excellent speakers, demonstrations and presentations. The programme for 2019 is now complete- the first date January 22nd when Mr Alan Salt will entertain with his talk on making cheese.

February we meet on 26th and look forward to hearing from Buxton Mountain Rescue. Tea, coffee and homemade cake always available- no need to book just come along, stay as long or as short as you wish. Keep a look out for posters giving details of all the dates and programme in 2019. Liz Broomhead

Adopt a Poppy- The monies from the "Adopt a Poppy" and the collection boxes has now been counted and an amazing of £1062.00 was raised. This has been split equally between 6 soldiers charities "Help for Hero's", "Soldiers, Sailors, Airmen and Families Association", "Combat Stress", "Royal British Legion", "Haig Housing Trust", and "COBSEO" - Confederation of British Service Organisations", each charity receiving £177.00. A massive thank you to everyone who helped with the poppies and to all those who adopted a poppy or made a donation, you should all be proud of what we achieved. As promised I have put a small display in

the church, along with the names of those remembered. Lesley Birch. NB- on behalf of the Village community a **BIG THANK YOU** to Lesley for the original idea and the co-ordination of the project.

Crocus Bulbs on the Village Greens- We are extremely grateful to Ashbourne Rotary Club for donating 5,000 purple crocus corms to Hartington as part of their programme in support of the 'End Polio Now Campaign'. The purple crocus is the symbol of the campaign. We planted these on November 2nd on the island that has recently housed the Christmas Tree and also alongside the Village Pump. Hopefully we should have an attractive display in early spring and enjoy the flowers before grass cutting commences. Our particular thanks to Mick Gallimore of Sheen who is a Rotarian and arranged the supply of bulbs. He, alongside another Rotarian, Tony McMichael and 3 volunteer interims from Sudbury Prison planted the bulbs, aided and abetted by myself. I wait anxiously to see if they bloom according to plan. David Annat.

Christmas Services and Mrs Bel Kerr- Christmas seems a while ago now, but the run up to and Christmas itself was a busy time for our church. I would like to say a big thank you to everyone who helped in preparation and during the services. **December 13th-** The school Nativity- what a wonderful performance this was, enjoyed by so many. So much thought and preparation went into this. Lots of hard work, ingenuity and humour. Well Done –children and staff you told the story beautifully.

December 15th we hosted the Derbyshire Diocesan Bell Ringers, always a pleasure. The weather was atrocious so numbers were down, but the bell ringing was lovely and an extremely good meal was had after the service. Thank you to everyone who looked after us so well at the Farm Shop.

December 16th we held our own Candle Light Carol Service. Always a lovely service because it steers us towards the real meaning of Christmas and gives us a moment to breathe. Numbers, being a little down means we will have to try harder next year.

Christmas Eve- the focus was on the Crib Service and Midnight Mass. Both services were well attended, although not as many of our local children were able to attend. Thank you for all the help you gave to Rev'd Benson and myself during the Crib Service. A service for a special child. Something else special happened after the service; Rev'd Benson said a few words to Mrs Bel Kerr as she is retiring

from her long held position as church organist. The thanks are richly deserved after so many years of unstinting service- it was recognised and applauded. A letter of thanks from the PCC was also given to Mrs Kerr. A presentation of a gift will be made in the near future, date to be announced, so please keep your eyes and ears open.

Midnight Mass & Christmas Morning Family Service were both well attended. Lots of visitors and happy families, it was a joy to share Christmas with so many people. There was however, one person missing from our church who is very much missed, our dear friend Celia who has been "proper poorly". I know everyone will join with us in wishing her a speedy recovery and good health for the New Year.

"Informal Flora"- Dates for a new session are under discussion and will be announced in the next News and Views edition. Linda and I would like to thank everyone who has supported the last session, and look forward to us all getting back together for some more "informal flora" soon. Sarah Lacey

Hartington Community Group HCG- AGM February 27th Village Hall Bakehouse- 6-8pm. All Welcome. Please come and have your say about this years' activities.

Hartington C of E Primary School- On Saturday 8th December the PTA organised a Christmas Market. Despite the awful weather people turned out to buy that last elusive Christmas present! The event was followed by a Lantern parade and the lighting of the Christmas trees.

On Thursday 13th December the school performed its traditional Nativity. This year the title was 'It's a Party'. This was followed by the Pea & Pie supper and grand raffle. The first prize of a luxury hamper donated by Mr & Mrs Wallis was won by John Wardle. Numerous other fantastic prizes were donated and won on the night. The PTA would like to thank everyone who donated and supported in any way. The combined money raised over the two events was £1615.02.

On the run up to Christmas pupils invited residents of their local community to participate in Chair-o-bic activities delivered by Mrs P Grant at the school. Some of youngest pupils from the school took great care demonstrating actions to the residents trying to ensure that they didn't over exert themselves. This was followed by the traditional Christmas Community Lunch lovingly prepared by Mrs A Stubbs and Miss A Wardle. The PTA kindly donated a selection of prizes for the Christmas raffle, which

was to show their appreciation towards the community for supporting school events throughout the year. The children, staff and members of the community were excited to wear their Christmas jumpers in support of the worthwhile charity 'Save the Children'.

The final church display of the year 'Let there be Peace' is well worth a visit. The children have displayed work undertaken in class about World War 1 in its 100th year. They also decorated a Christmas tree for the 'Christmas Tree Festival'. Hartington Primary School hosted a RE workshop for local church schools on Thursday 29th November. The workshop was organised by the Diocese in conjunction with 'Blue Coats Academy' from Nottingham. Students in years 7 -11, ran workshops for the primary pupils focussing on three world faiths – Christianity, Islam and Hinduism. The primary pupils were divided into groups and rotated around the workshops – each session lasting for about 45 minutes. During the sessions the pupils learned about Islamic prayer, the Five Pillars of Islam, Hindu festivals, Hindu Gods, Christian Communion and prayer. Pupils had the opportunity to ask questions and many of the primary pupils asked deep and challenging questions about faith which the students answered exceptionally well. Feedback from the Hartington pupils was very positive. They had not only enjoyed the workshops and working alongside pupils from other schools but they appreciated the opportunity to learn about faith from Islamic, Hindu and Christian students.

On Thursday 20th December as part of the schools on going safe guarding programme the children investigated through workshops, videos and discussion how to keep themselves safe and visible on the roads during the dark winter mornings and evenings. The school accessed resources from the Road Safety Team, which enhanced the children's understanding whilst raising their awareness of the dangers the dark evenings bring.

Friday 21st December, last day of term began with all the children attending breakfast club for a 'Big Breakfast'. This comprises of a full cooked breakfast kindly prepared by Mrs Stubbs and Miss Wardle. This was followed by the children rehearsing the Christmas Carols and narration of the Christmas Story ready for the performance at 10am when the school doors were opened to parents, Rev Benson and members of the community. An outstanding performance was acknowledged by all who attended, people commenting that they couldn't wait for next years' concert. Tea/Coffee, mince pies and biscuits

were then served to the congregation. Later that day the children enjoyed a Christmas party full of games and special food, with a special visit from Santa. School closed at 3:30 after a fun packed day. **Happy Christmas and Happy New Year to everyone.**

Hartington Village Hall Update

By the time you read this one year will have passed since seven Trustees and representatives from many of our user groups came together to take the Hall forward from a financial crisis that would have seen it go out of business by September 2018. In brief we have cut our costs wherever possible, increased the use made of the Hall, balanced the budget, established a website

(www.hartingtonvillagehall.co.uk), and have established a small fund to match grant applications that will be made over time to enable the roof to be replaced, 40+ year old boiler replaced, insulation added together with several other issues faced by the almost one hundred year old building. We are a charity with trustees acting to effectively manage the building constructed in 1924 on behalf of the community. Much has been achieved through a reliance on a number of willing volunteers.

We plan on holding a 'One Year On' afternoon on **Sunday 5th May** for families from our community to come together to hear about our achievements as well as plans to take the Hall forward. Please put the date in your diaries – there will be free refreshments and an opportunity to come together as a community in a building that is, as our primary school children stated in our new logo, **'At the Heart of Our Community'**.

Village Planters – Calling all gardeners! Please could grow a few extra bedding plants to go into the planters during the summer. For example Marigolds, Nasturtiums, Cosmos, Fuchias etc. Contact Janet Bray for further information on 84417

Biggin News

Biggin WI - There was no meeting in December as we had arranged to go to the Waterloo for a Christmas lunch. The weather didn't stop us as it did last year, although it was very icy when we left. Many thanks to Steve, Debs and the team for an excellent meal. January meeting will be subscription collections and Julia is providing the talk. This will be held on 14th January in Biggin Village Hall, 7.30pm. Everyone is welcome to come along and join us.

Biggin Village Hall- December was a very busy month at the village hall with several private parties, but a couple of notable events of our own: the **Biggin Senior Citizens Christmas Party** was again well attended and everyone enjoyed Phil's singing and stories, as well as a delicious turkey dinner supplied by Biggin Hall and ably served by members of the committee and staff from the hall.

On the following Sunday the **Warslow Brass Band Christmas Carol sing along and concert** was sold out a couple of weeks before the event. Again Biggin Hall helped out by supplying a glass of mulled wine and members of the committee made mince pies for everyone. Well done to the committee for squeezing over a hundred people and the band into the hall. It was a great evening. Thanks go to the team who carried out the installation of the new curtains and poles, with associated painting and general refurbishment, which has made the hall look much brighter.

With warm, easy to listen melodies, humorous anecdotes, lush and playful strings, keys, brass and woodwind, toe tapping, inventive percussion and soaring vocals - and the odd bit of dancing around the room or writing impromptu songs on the spot or conducting the audience as a choir - this is a fantastically entertaining evening.

It is with much sadness, that we hear of the death of Pat Paterson. Pat was always a big help at the Church fundraising events, mainly the Flower Festival as well as the Craft Fairs, with her homemade jams, chutneys and baking. Always full of enthusiasm and with Andy's help, she bought lots of tasty things to sell. Pat died on 9th December, the day of our Carol Service, we send our deepest sympathy to Andy and the family.

The school Christmas event was a huge success, putting on 2 shows at 2 pm and 6 pm. They now have a choir and a band, which participated at the opening of the event. Then followed a modern version of the Christmas story and was concluded, as usual, with great fun and enjoyment and with the singing of The Twelve Days of Christmas. A brilliant show and many thanks to the children and staff. Well Done to All.

The next Church service will be, Sunday, Feb.10th at 3.00pm. A "gin tasting" evening is being arranged for February 17th with tickets are available from Jane Gerrard or Jason Bentley at £15 each.

Clive Howarth, Chair Earl Sterndale Parish Council Earl Sterndale Chapel - If you were in Earl Sterndale during December you may have noticed the Church illuminated with Christmas trees and some wonderful panels depicting the Nativity outside the Chapel. These had been created by the children attending Messy Church helped by Deacon Lorraine Brown and Susan Shirley. At Messy Church in December children heard the story of The Christingle and were supplied with all materials to make their own Christingle at home. The following week our annual carol service was held and was well

attended. As usual the chapel was decorated with candles and greenery which added to the atmosphere. Our Christmas preparations culminated with a local family bringing their small daughter for Baptism. We were so pleased to welcome so many people to the service.

The monthly Community coffee morning continues on the first Wednesday each month. If you haven't already been drop in for however long you wish and enjoy the company of other local people. Messy Church meets monthly after school. Further details from Susan 83 672.

Earl Sterndale Parish Council along with a grant from The Local Projects Fund have provided the village with an Automatic External Defibrillator (AED) It is mounted on the Methodist Chapel wall and sits inside a locked heated cabinet. It is accessed via the emergency services by ringing 999 who will then issue you with a code to gain access. We hope it is something we will never need but in this day and age one never knows!

Hartington Middle Quarter Parish Council. The last meeting was held on 10th December 2018, details of this can be viewed on the website. www.hartingtonmiddlequarter-pc.org.
